

# DC250 and DC330

## Cam Action Door Closer

The Adams Rite high efficiency Cam Action Door Closer, ensures the door is easy to open without affecting its closing power, making it ideal for doors used by disabled or elderly people and young children.

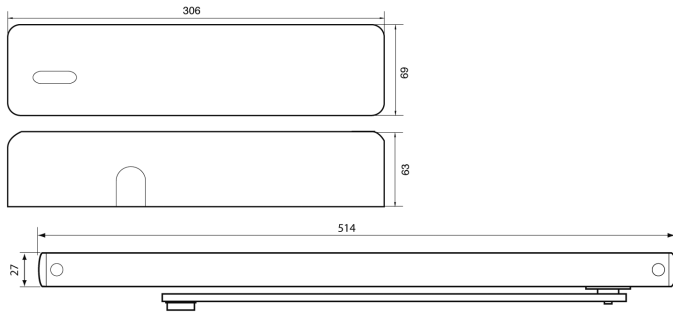

## Key Benefits

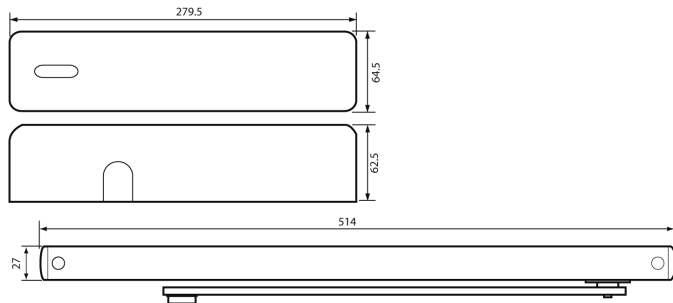

- The DC250 is particularly suitable for doors exposed to high wind pressure or heavy use
- Wind through spring adjustment allows flexibility when fitted
- Supplied as standard with closer body, detachable cover, sliding arm and fixings
- Aluminium body with detachable cover made from ABS
- Suitable for use on internal and external doors
- Adjustable backcheck as standard on 250 model
