

# Adams Rite 2011 price list

effective from 1st April 2011

# Choose the safe option...

## ...the Sentinel 6 package

### Safe. Strong. Secure.

The new Sentinel hardware package offers significant benefits over some earlier commercial locking systems. When used with the Sentinel security escutcheon and Adams Rite kite marked cylinder it has successfully been used in a number of doorset security tests to PAS24, LPS1175 (SR2) and EN1627 (RC3). Modification to the Adams Rite concealed transom closer has also contributed to improving the whole system's attack resistance capability.

### The Adams Rite Sentinel 6 Deadlock

There is literally nothing to compare to Sentinel 6 - the complete new generation of deadlock from Adams Rite that raises the bar in maximum security locking to new heights.

Engineered specifically to meet even the most stringent BS EN 12209 Standard Test to Grade 6 security, Sentinel 6 stands in a class of its own.

### The Adams Rite ARC 51 Transom Closer

The Adams Rite ARC-51N is designed to provide a controlled closing of a single or double action aluminium door. With three levels of spring strength and dual closing speeds allowing flexibility in its closing action.

### The Adams Rite Rigel Range of Pull Handles

A range of pull handles, specifically designed for use on commercial aluminium doors. Supplied in a variety of sizes to suit most applications with a satin and polished stainless steel finish. All models are also available in Black, Blue, Grey and White Powdercoat and come with a 3 year warranty.

## Glossary

<b>Backset:</b>	The horizontal dimension from the front of the faceplate to the centre of the cylinder.
<b>Cam:</b>	The part on the back of a cylinder that rotates when the key is turned and operates the lock mechanism.
<b>Deadbolt:</b>	A lockbolt having no spring action, usually rectangular and actuated by cylinder or thumbturn.
<b>Deadlatch:</b>	A lock with a radiused or bevelled spring-loaded latchbolt which may be automatically or manually locked against unauthorised retraction and will self latch when the door returns to the closed position.
<b>Dogging Facility:</b>	The means of retaining the lockbolt or exit device mechanism in the open position to allow the door to be free swinging.
<b>Escutcheon:</b>	A plate either protective or ornamental that slips over the cylinder, thumbturn, handle etc. and is fixed to the stile of the door.
<b>Panic Exit Device:</b>	Horizontal bar running the full width of the door where activation of the bar in the direction of travel releases the locking mechanism. Such devices must conform to BS EN 1125.
<b>Emergency Escape Device:</b>	A paddle handle or lever handle fitted to a designated emergency escape door conforming to BS EN 179.
<b>Keying:</b>	Keyed Alike (KA) and Keyed Alike in Pairs (KA2)—all cylinders may be operated by the same key. Keyed Different (KD)—different individual key operates each cylinder or group of cylinders.
<b>Solenoid:</b>	When energised with electrical current develops a magnetic pull motion enabling mechanical work to be effected, such as plunger movement to release the blocking arm on electric strikes.

### Distributors

Please contact our Customer Services Department who will be able to advise you who your local distributor is.

## 1. GENERAL

The word "Seller" means Adams Rite Europe Limited. All offers and quotations are made without obligation and all orders for the Seller's products ("the Products") are subject to acceptance or rejection by the Seller. The Seller's acceptance of the Buyer's order is conditional on the Buyer's acceptance of these terms and conditions to the exclusion of all others and the Buyer on placing an order is presumed to have accepted these terms and conditions with modification. The Seller reserves the right to correct accidental errors or omissions on quotations, or acknowledgments or invoices.

## 2. PRICES

The Seller's prices for the Product are exclusive of VAT (where applicable) and, unless otherwise specified, are quoted ex-seller's works in the United Kingdom. All prices are subject to alteration without notice and the price applicable shall be that ruling at the date of despatch. The Buyer is responsible for the payment of all taxes and duties which may be assessed or levied on, or on account of, products sold to the Buyer and for all carriage charges.

## 3. PAYMENT

The net amount shown on the invoice is due within thirty days of the date on the invoice. All payments shall be made in currency stated on the applicable invoice for the relevant Products. Interest at the rate of two per cent per month will be charged on all overdue payments.

## 4. PROPERTY AND RISK

**4.1** Payment shall be made by the Buyer strictly in accordance with the terms specified in these Terms and Conditions of Sale and in the event of the Buyer failing to make a payment in accordance with such terms the Seller shall be entitled to all remedies competent to him at law, including stoppage of the goods in transit, and shall further be entitled at his option to cancel or refuse to deliver any other orders by the Buyer or any further instalments of the order then outstanding. Payment shall be due immediately upon the Buyer's insolvency or going into liquidation (including as defined in the insolvency Act 1986, S.247(1) and (2) respectively) or into Administrative receivership.

**4.2** Property in the Products shall pass to the Buyer until the Seller has been paid in full for the Products comprised in the order and any order of the Buyer.

**4.3** Further and separately, if the Buyer purports to sell the Products or any part of them before paying the Seller in full for all Products comprised in the order and any other order of the Buyer the Buyer shall hold the proceeds of such a sale as trustee for the Seller.

**4.4** Nothing contained in this Clause 4 confers any right on the Buyer to return Products to the Seller or to refuse or delay payment therefor.

**4.5** Risk in the Product shall pass to the Buyer on the date of despatch thereof to the Buyer.

**4.6** Further and separately, until the property in the Products has passed to the Buyer, the Buyer shall store the Products in a proper manner without charge in such a way as to show clearly that they are the property of the Seller.

**4.7** Further and separately, until property in the Products has passed to the Buyer, the Seller may recover such Products at any time from the Buyer and for such purpose the Seller and/or its servants or agents may enter upon any land or building upon which the Products are situated.

**4.8** Further and separately, upon the Buyer's insolvency or the Buyers going into liquidation (including as defined in the Insolvency Act 1986 S.247(1) and (2) respectively) or into Administrative Receivership and contract of sale between the Seller and the Buyer undischarged by the performance of either shall terminate automatically without the Seller's incurring any liability to the Buyer and without prejudice to the Seller's rights accrued up to date of the termination.

**4.9** For the purposes of this condition, time shall be of the essence in relation to payment for the Product comprised in any order.

## 5. DESPATCH

Every effort will be made to deliver Products on time but any delivery date stated is an estimate only and the Seller shall have no liability for any loss or damage caused

by delay in delivery. non-delivery must be advised in writing within seven days of despatch date, otherwise the Seller will accept no responsibility. The Seller reserves the right to charge the Buyer any costs and expenses incurred by the seller as a result of any delay in delivery caused by circumstances within the control of the Buyer.

## 6. DESCRIPTION

All weights, measurements, dimensions, drawings, capacities, specifications and other particulars contained in photographs, catalogues, price lists or advertising material are only approximate. Such particulars do not form part of the Contract and deviations therefrom or subsequent changes in design are not grounds for non-acceptance of the Products and do not constitute a breach in the Contract.

## 7. PACKAGING

The Products are sold in non-returnable packaging unless the contrary is specifically stated. Export packaging is not included in the price and will be charged at cost.

## 8. DELIVERY BY INSTALMENTS

Any claims which the Buyer may have in respect of any one instalment shall not relieve the Buyer of the obligation to accept the remaining instalment or entitle the Buyer to cancel such instalment.

## 9. INSPECTION ON ARRIVAL

The Buyer shall inspect the Products immediately on delivery and shall notify the Seller and the carriers within three days of delivery of any loss, damage or discrepancy.

## 10. SELLER'S LIABILITY

**(A)** The Seller warrants to the Buyer that the products manufactured by it will be free from defects in materials and workmanship for a period of 3 years. Unless the contrary is specifically stated for specific Products by the Seller. The Seller's sole obligation to the Buyer under this warranty is, at the Seller's option the refund of the price charged by the Seller to the Buyer or the repair or replacement of any Products or parts thereof which, under normal use and proper maintenance, have proven defects in materials or workmanship. The warranty does not cover ordinary wear and tear, abuse, misuse, overloading, altered Products or Products which have not been installed, operated or maintained in accordance with the Seller's applicable written instructions. Upon the Seller's request, the Buyer will return all defective Products or parts to the Seller with proof of the date of delivery. The risk of loss of any Products or parts returned to the Seller will be on the Buyer. No claims under this warranty will be valid unless the Buyer notifies the Seller in writing within a reasonable time of the Buyer's discovery of such defect.

**(B)** Apart from its liability under the warranty contained in (A), the Seller shall have no liability under the Contract (so far as permitted by law) in negligence for loss or damage (whether direct or indirect) resulting from any defect in the Products.

**(C)** Any express or implied condition, statement or warranty, statutory or otherwise, not stated in these Conditions is hereby excluded.

## 11. RETURNED PRODUCTS AND CANCELLATIONS

No cancellation of any order is effective unless accepted by the Seller in writing, products returned without the Seller's written consent will not be accepted for credit. No returns or cancellations will be accepted except upon terms which will reimburse the Seller for all expenses and lost profits.

## 12. PATENTS

The Seller indemnifies the Buyer against loss arising from any claim that the Products infringe a third party's patents or other industrial property rights provided that the Buyer shall immediately notify the Seller of any such claim and that the Buyer shall have the sole conduct of any proceedings. The Buyer shall render assistance to the Seller in defending such claim at the Buyer's request and expense.

## 13. LAW

This Contract shall be governed by and construed in accordance with the laws of England.
